BARTEC

ComEx Actuating elements

for Zone 1 and 21
Datasheet

A large number of variants and versions of actuating elements are available for the ComEx control and indicator units. All actuating elements are made of high-quality thermoplastic and conform to the IP 66/IP 67 type of protection.

To complete the actuating elements, there are useful accessories such as e. g. label holders, marking tags, metal shroud or nut wrench. Actuating elements for increased resistance to oil are available too. The actuating elements are mounted quickly and easily onto the ComEx control and indicating devices. Use in Zone 1 and 21 is certified.

– Easy installation
– Certified for Zone 1 and 21
– High IP degree of protection

Pushbutton

Description	Order no.
– 5 labels red, green, yellow, white, black, supplied loose – weight 24 g	
for ComEx enclosures	05-0003-000700

Mushroom pushbutton

Description	Order no.
– weight 74 g	
black, unlabelled	05-0003-001800
red, unlabelled	05-0003-001802

Emergency stop slam button

Description	Order no.
– weight 46 g – DIN EN 60204-1: 2007 – DIN EN 60947-5-1: 2005 (VDE 0660 Teil 200)
